

## Save an average of 24% on DC Series Commercial TVs with New Lower Pricing

### Commercial TVs with Professional Grade Features

Your customers can deliver their message with maximum impact and minimal budget. Samsung's DC series Commercial TVs are high performance displays with professional grade features at a great value. Offer your customers the reliability of 16/7 operation time, a 3-Year warranty and the versatility of landscape/portrait mode for the cost of non-Samsung displays without these features.
